

LEADERSHIP
BALANCE®

MIND. WILL. HEART TO LEAD.

Taking your leadership to the next level
at your own pace, location, and time!

Leadership Balance® gives you the resources to build leaders that will propel their teams to new levels of success.

BUILD BETTER LEADERS WITH ONE CONVENIENT SOLUTION

Our Skillssoft Leadership Advantage - (SLA) program organizes and delivers a comprehensive set of resources for developing the critical skills required of all leaders. Content is organized into concise learning tracks that are aligned to the key competencies required for managers to successfully lead organizations now, and in the future.

MULTIPLE MODES OF INSTRUCTION FOR DIVERSE LEARNING STYLES AND NEEDS

Each track is fueled by credible expert content, including videos of today's most revered thought leaders and executives, and book summaries from best-selling authors. Learners can also participate in interactive exercises and simulations; watch and ask questions during Live Events; use resource guides to create activities and apply learnings; and recommend content using the social collaboration tool.

EASILY PERSONALIZED AND CONTEXTUALIZED FOR EACH ORGANIZATION'S UNIQUE NEEDS

Using the built-in Online Editor, companies can easily personalize their organization's brand to offer employees a familiar look and feel.

STANDALONE OR SUPPORT BLENDED DELIVERY OF LEADERSHIP PROGRAMS

Use assets to support live facilitated sessions, guide management meetings, or for on-the-job performance support.

BUILT-IN FLEXIBILITY

Each comprehensive learning track provides the essential resources required to develop a leadership competency. Tracks are designed to be completed in approximately two hours. However learners can easily start and stop whenever they choose, because the tracks are primarily comprised of targeted microlearning components that are less than five minutes in length, and allow for quick and convenient learning.

41 LEARNING TRACKS ARE AVAILABLE ACROSS THREE DOMAINS. SAMPLE TRACKS INCLUDE:
