Leadership Balance[®] and Skillsoft[®] Women in Leadership Program

High-impact continuous learning for
women leaders at all levels

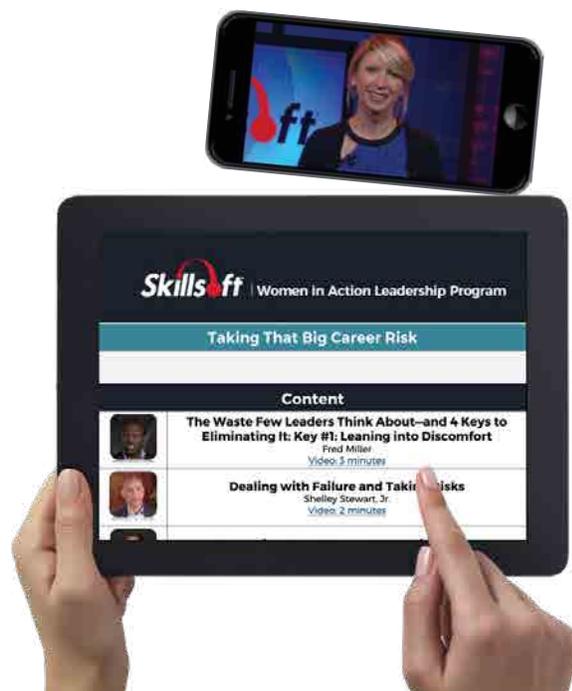

Our Women in Leadership Program provides women leaders with quick, convenient access to learning content that promotes the development of leadership skills and addresses the unique challenges faced by women in business.

A STRUCTURED PROCESS GUIDES LEARNING

Our Women in Leadership Program is a collection of high-impact training resources that are designed for women leaders and aspiring women leaders. These learning tools were formulated to address the needs of three distinct women leader populations:

- Senior leaders
- Mid-level leaders
- Emerging leaders

Using unique learning templates prepared by subject matter experts, Women in Leadership participants will gain instant access to three learning tracks, each with more than 12 courses. Participants can select the track best-suited for their needs or select courses from all three tracks. Learning is self-paced and access will remain open for one year. Coursework includes a blend of short videos, book summaries, and activities to provide focused learning in specific competency areas.
